The image features the Garoto logo, which consists of the word "Garoto" in a red, cursive script font with a registered trademark symbol (®). The logo is set against a yellow, wavy-edged background that resembles a piece of candy or a splash. This central element is surrounded by a dynamic splash of dark brown chocolate against a solid orange background. The chocolate splash is most prominent at the top and bottom, with several small droplets scattered throughout the orange field.
